

The Crown Chronicle

FlavorBurst, a unique auto-flavoring system for soft-serve, shakes, and slush. By expanding your selection of up to **39 different flavors** you will enhance your business and your profits. The FlavorBurst system offers *minimal space and maintenance requirements* and comes with a comprehensive warranty and promotional P.O.S. kit.

Come and taste for yourself!

The Flavor Burst system is easy to use. It can be added to your existing Taylor, as a narrow stand alone piece with the dispenser added to your drawer.

Taylor now offers flavorburst equipment already within your new Taylor machine! No extra space needed. Same Flavor Burst advantage, but with less the space.

Take advantage of the new taylor **C712**, a high capacity, twin twist pump, soft serve freezer with two, 20-quart (18.3 liter) mix storage hopper. Simplified air/mix pumps deliver the precise amount of air and mix to the freezing cylinders, and reduce operator parts. Its rounded styling makes it easier for cleaning and the narrow footprint is a perfect fit for tight space requirements.

Serving South Florida and the Caribbean Since 1960.

The **NEW** Flavor Burst Soft Serve Blending System

Instant Delivery System creates 1-step delivery of finished product.

Variable Portioning enables operators to dispense any serving size directly into cup or cone.
