Serving South Florida and the Caribbean Since 1960.

C902 - Frozen Beverage Freezer

Vary your menu by offering *Smoothies, Frozen Cocktails, Fruit Juices, Coffees, Cappuccino* and *Tea Slush Beverages* all served at the desired thickness. The C902 has consistency control, a specially designed viscosity control which automatically maintains superior product quality. An adjustable control allows the operator to serve a wide variety of frozen beverages. Highly visible colorful slush products attract attention creating impulse purchases. Slush drinks cost pennies per serving, yet yield an incredible 70-80% gross profit.

Compact Size: Width 17 1/4 in., Depth 29 7/8 in., Height 28 1/4 in. Designed to rest on a plastic pad directly on a countertop. Air cooled, requiring a minimum of 3 inches on all sides. Two mix hoppers each holding up to 8 quarts of mix. 115-volt electric.

Special Features: A self merchandising lighted display backlights the translucent static cling and down lights the dispensing door. *Three static clings* come standard; Frozen Drinks, Frozen Cocktails and Smoothies. A set of *four flavor cards* are also included; Cappuccino, Lemon, Lime and Strawberry.

Tip of the Month

“To help avoid unnecessary down time and help you better understand the cleaning and maintenance of your machines, operator manuals and videos are available for all Taylor machines through our Parts Department 954-217-9100.

September Parts Special - 10% off purchase of \$100 or more of Taylor parts when paid at time of purchase from Parts Dept.

**Parts Department Specials are valid only for the month of the offer, check back for future Parts Department Specials, must mention newsletter for offer.*

Taylor Ultimate Services would like to *Thank You* for your continued patronage. If you have a success story that you would like to share, and we use it, you will be eligible for a \$50 credit from us towards a future purchase or service call for your business!
